Hope you're well!

As I am sure you've heard CAA has signed Zion Williamson exclusively in all areas of representation.

We're being very selective in approaching a few brands we feel might make sense for Zion and wanted to see if Biosteel is interested.

We are having conversations in the category and hope to finalize a partnership by the week of the NBA draft.

If you are interested, let's connect in the next day or so.

Best,
Matt
